

Dear choir,

It's a while since you've received a choir message in writing. Concert planning is well underway behind the scenes. In the last three weeks I have highlighted all the usual things that choir members can do to support the success of our next event.

These include

Concert Promotion - circulating flyers, inviting friends & family, social media posts.

Ticket sales - contact tickets@stowmarketchorale.org.uk (Stephen) or [07972 668180](tel:07972668180) (Aileen)

Fundraising

Sponsorship

We had another very good rehearsal tonight - thank you, Will & Richard. Our Handel concert is approaching fast!

Will announced to the choir the concert repertoire planned for the next year. A schedule of rehearsal and dates has been drawn up and will be published for members soon.

Rehearsal attendance

We have now covered all of the concert repertoire. With our performance in a month's time and with only three Wednesdays remaining, it is crucial that everyone who will be singing on the day is focussed on learning the music - there are a lot of notes! Ideally all singers will be at the three final Wednesday sessions, however it is **imperative that everyone is present at the Buxhall rehearsals on Wednesdays 7th and 14th June.**

Please note that if you have missed a lot of rehearsals for this concert your voice rep will want to discuss this with you.

Homework

Please ensure that

your scores are marked up correctly with Will's directions

you revise and practise your voice part at home

prepare as well as you can for each rehearsal

This will allow us to work most effectively with Will on musical interpretation, blend and other aspects of performance.

Please do ask if you would like additional musical support.

Thank you everyone for your hard work and commitment which will ensure we give a worthy, rewarding and enjoyable performance.

With very best wishes,

Maggie
